

## **2016-2017 Confirmation Volunteer Parent Roles**

*Our Confirmation program is only as strong as our parent participation! In addition to helping provide an evening meal (with another family, if preferred), we also ask one parent of each Confirmation student (7<sup>th</sup> & 8<sup>th</sup> Graders) to serve in one of the following roles. Please look through the descriptions and find a role in which you can best serve. When you have selected your role, please email pastor Brad at [bdoty@stphilip-co.org](mailto:bdoty@stphilip-co.org) with your preference. Feel free to sign-up together with other parents you'd like to work with. Thank you to the many parents who have already indicated how you wish to serve!*

**Small Group Youth Guide**- "Provides the context of love for the content of the Gospel and leads a small group of Middle School youth on the faith journey from the head to the heart."

On a typical Learning Event night, interacts with Small Group during dinner (6-6:30), chaperones Small Group during Pastor-led Large Group time (6:30-7:15), leads Small Group time - sharing highs & lows, discussing lesson & connection to everyday life (7:15-7:45), & chaperones Small Group during Pastor-led Closing (7:45-8). Some weeks there are Fellowship or Servant Events. On these evenings, it is the Small Group Guide's role to chaperone and build relationships with the group during the activity.

Ideally, you would commit to the Small Group Youth Guide role for the entirety of your child's Confirmation experience. Weekly commitment is 6-8 pm each Wednesday. During the month, three weeks are spent with youth; one week is a Leader's Huddle. Prep time varies, but should be minimal as the Curriculum Planning Team will have outlined any Small Group activities. There will be a Guide Training (tentatively in August).

Ideally, you would commit to the Coordinator position for the entirety of your child's Confirmation experience. The Coordinator needs to attend each Wednesday night (6-8 pm). Time spent preparing varies depending on how duties are divided. Most of the work is done on Wednesday night, except for emails to remind parents of confirmation. Some fellowship event planning is also done.
