Church Needs/Fundraising

Readers for Pentecost Sunday

We are looking for those who are familiar with another language to read the lesson on **Pentecost Sunday, May 20**. This is done from your seat without a microphone and can be at either service. Please contact Jan Philpy (gjphilpy@gmail.com or 317.709.5045) by **May 13** if you are interested.

Flamingos, Flamingos, Flamingos Everywhere!

The youth going to the ELCA Youth Gathering in Houston Texas at the end of June are starting the Flamingo Flocking Fundraiser this weekend! Either the youth or other members of the congregation choose people from our congregation to flock. This means, they quietly and surreptitiously place twenty or so large and small flamingos all over the front yard. The youth will happily remove the flamingos the next day. The idea is that you have to make a donation to get the flamingos off your yard, which can be placed in the envelope in the sign or brought to the church. The suggested donation is \$10, but the youth will be happy with any donation as they raise funds to attend the ELCA Youth Gathering in Houston. You can also make a donation to designate someone to be flocked or to not be flocked: anti-flocking insurance. Come check out the table in the Narthex this Sunday for more info or contact Pastor Brad! Thank you for your support!

Stewardship 101

Thank God for our families

[Jesus was dying on the cross.] When Jesus saw his mother and the disciple whom he loved standing beside her, he said to his mother, "Woman, here is your son." Then he said to the disciple, "Here is your mother." -John 19:26-27

On the second Sunday of this month we celebrate the mothers and mother figures in our lives, and then in June we celebrate our fathers and father figures. What a wonderful opportunity to honor the strong bond between parents and children. How strong? The first use of the word "love" in the Bible, Genesis 22:2, describes the connection between Abraham and his son, Isaac. Family is one of our most valuable gifts from God, and one that, as all holy gifts, we are entrusted to treasure, love and nourish. As parents, we are responsible for nourishing children to become healthy adults. And as children, we are responsible for caring for parents as they age. Jesus indicates in the passage above that there need not be a blood connection for a parent-child relationship (as any family with adopted children can attest). In Matthew 12:46-50, Jesus actually redefines family, saying that all who love and follow him are mothers, brothers, sisters, fathers. So, all of us are parent, child and sibling to one another. Now THAT'S some family!

As we honor the mother and father figures this spring, we can also challenge ourselves

to be better stewards of the family bonds God has given us.

- Explore through Scripture what it means to be a family, including a faith family.
- Work with your congregation promote healthy family connections.
- Support and accompany families that are in crisis or paralyzed by dysfunction.
- Learn about foster-parent programs and support foster families.
- Explore and support Big Brother and Big Sister programs. Be a mentor to a child or youth.
- Befriend a senior citizen who may not have children (or children nearby).
- Remember that not all family relationships are positive. Avoid judgment and listen thoughtfully to those whose experiences may differ from yours.
- With your congregation, explore ways to live as brothers and sisters, mothers and fathers to one another.

God ordained families to be the fundamental unit of human life. We can be good stewards of family relationships by caring for one another and helping everyone to grow into the faith family God intends.
