

2019-2020 Confirmation Behavior Covenant

Confirmation Student's Name: _____

We're a Christian gathering! Confirmation will be a safe and loving place for us to learn, worship, and enjoy friends. All who join this group will agree to the following:

- I agree to treat everyone (youth & adults) with kindness and respect. I agree to treat others as I would like to be treated.
- I agree not to hit or kick (even playfully or pretend). I agree not to gang up or bully any one individual.
- I agree not to swear, or use disrespectful language.
- I agree to treat the church property with respect. I agree to clean-up after myself and avoid behaviors that would be destructive to the church.
- I agree to listen to whoever is leading a large or small group. I should not have side conversations while others are talking.
- I agree to turn off my cell phone (and any other electronics) and will put them away during Confirmation, from 6:00-8:00 p.m.
- I agree to stay in designated areas of the church. I will not leave the church building without consent from one of the confirmation adult leaders.

We agree to accept the following consequences for not abiding by the Covenant:

- 1) An adult leader will remind me of the inappropriate behavior and I will be given a verbal warning.
 - 2) If the inappropriate behavior continues, I will be asked to sit quietly away from the group, possibly with another Confirmation Leader.
 - 3) If I am unable to behave after being separated from the group, I will be asked to call my parent or guardian for an early pick-up.
 - 4) If my behavior continues to be inappropriate, I will have to be chaperoned by a parent (my parent will come to future Confirmation meetings with me) in order to attend.
- If I use a cell phone (or other electronic device) during Confirmation, I will be warned once to put it away. After that, my cell phone (or other electronic device) will be kept by an adult until the end of the evening.
