### **St. Philip Community Garden Update**

The St. Philip Community Garden is in its 8th season of supporting the Sheridan Food Bank. With the help of several Eagle Scout projects last year, we expanded the garden and irrigation system and added a fence around the perimeter. In addition to growing up to 100 pounds of produce for donation each week, we offer several community plots for personal use.

With the one plot available, we would like to invite the children of St. Philip to participate in planting pumpkins on **Sunday, June 12** after services. We'd also like to invite church members to come out to visit the garden and take a little tour.

### **Message from John Breed**

*Pastor Brad, hope things are well there. Special day here—IKEA donated furniture, cabinets, carpet, and miscellaneous for the children's play area. All assembled today, put into place, and Grand Opening today before I left. I just had to stick around for it's completion. Long day combining that with other duties, but kids that show up tonight and tomorrow will be having quite a welcome and nicer environment during their short stay.  
In Christ, John.*
